

When a hurricane warning is issued, civil defense information will be released through local radio and television stations and all other available means, **concerning which shelters will be opened and when.** Shelter personnel will be on site to direct you to the specific shelter buildings.

If you are advised to evacuate, try to keep your family members together and don't forget your survival kit, including important papers. It is essential that you take your survival kit with you because food, cots, blankets, and other comfort items will probably not be available.

Prepare a plan for your pets in case you must evacuate. Public pet shelters are not yet available. Contact your veterinarian or the Hawaiian Humane Society for more information on pet arrangements. Only service animals are presently allowed in public shelters.

This list is current, but subject to change. Shelters may be opened selectively depending on the severity of the storm. Should an evacuation become necessary, please listen to your radio or television for up to the minute information on shelters open in your area. When you arrive at your shelter, please follow Red Cross directions to the appropriate room or building.
